NOTES:

- Unless otherwise indicated, rates are pursuant the Stipulated agreement reached in Docket No. 70000-TA-01-700.
- Denotes voluntary rate reduction. These rates are not subject to true up and will be applied on a going forward basis. Additional reduction to voluntarily reduced rates.
- ##
- Rate voluntarily deaveraged to be consistent with the deaveraged loop rate. Deaveraging approach subject to review in the next phase of the cost docket. State wide average rate of \$4.89 was approved by the Commission.
- Rate not addressed in Docket No. 700000-TA-01-700 stipulation. [1]
- [2] [3] [4] Reserved for future use.
- ICB Individual Case Basis
- Rate per FCC Guidelines.
- Regional TELRIC based where required. [5]
- Market-based rate. [6]
- A special request is a request by the customer to perform something that is technically feasible but the process and pricing are not yet in place.
- [8] Rate has been ordered in a different section and is being used due to the similar characteristics of the element. This rate will be replaced when a rate is developed or ordered for this product.
- The preliminary engineering and planning costs are included in the caged and cageless space construction charges. These engineering and planning charges are also included in the caged and cageless quote preparation fees. Upon completion of the collocation construction, these quote preparation fees will be credited to [9] the final space construction charge for the collocation job.
- [10] Qwest will utilize the Commission TELRIC ordered rates for this element. However, Qwest reserves its right to implement market based prices sometime in the future pursuant to CC Docket No. 96-98, paragraphs 278-287.
- [11] Qwest will not charge for this element until the Commission has an opportunity to review and approve a rate in a cost proceeding.
